Fighting Auto Theft, Burglary, and Theft Through Awareness

The Seagoville Police Department is deeply committed to fighting auto theft, burglaries, and theft of all types within our community. Our number one goal is to protect lives and property through proactive measures to make our community not only one of the safest places to live, work or visit, we want it to be a community that is wise and aware that no matter where we live in this great nation there will be some type of crime that occurs.

The biggest help a community can give its Police force is information, when you see something out of the ordinary, suspicious person(s), or vehicle(s), call and report it. The fact of the matter is that we cannot be everywhere at once, we need your eyes and ears to help us in our efforts of making your community as safe and crime free as possible.

Some have seen signs posted at local retail businesses that state **HIDE** your things, **LOCK** your car, **TAKE** your keys. **HIDE, LOCK, & TAKE** is a nationally known initiative designed to combat vehicle theft, burglaries, and theft in general through awareness. Be aware that your purse, cell phone, or other valuables are not left lying in plain view, be aware of whether or not you locked your vehicle, make sure you have your keys with you at all times. In the winter months do not start your vehicle and leave it unattended, these are all situations of opportunity that criminals look for to victimize good law abiding citizens.

"We need to make it more difficult for the thieves to steal property and by taking some basic crime prevention tips such as hiding your valuables, locking your vehicle, and taking your keys, you are less likely to be a victim."

For more information regarding the HIDE, LOCK, and TAKE initiative, or if you would like to start a neighborhood crime watch program, or if you have questions regarding crime prevention tips please contact our Crime Prevention Specialist Officer Kenny Dickerson at (469) 319-5026 or email at kdickerson@seagoville.us
