

- If you wish to use additional carts, please call the City of Seagoville at 972.287.2050 to order.
- There is a minimal monthly charge for each additional cart.
- Proper placement is extremely important. On your collection day, please roll your cart within 2 feet of the edge of the street by 7 a.m.
- Make sure the handles are facing your house, so that when the cart is lifted, the lid opens toward the street.
- Please check to see that your cart is not obstructed by parked cars, boats, mailboxes, overhead power lines, etc.
- Please make sure your cart is at least 3 feet away from any obstructions noted above.
- Be sure to have your bulk/brush items at the curb by Monday at 7 a.m. on your scheduled bulk week. See map on back for details.
- Bulk items include:

- Furniture: When you're getting rid of old items like sofas and chairs, simply leave them assembled.
- Mattresses: When disposing of mattresses, it's helpful to wrap them in plastic for safe and efficient disposal.
- Large Appliances: Remove doors from appliances like refrigerators (Freon® must be removed prior to pickup) and washing machines.
- Home Construction Debris: Contact us to determine the types of construction debris we accept.

-
- Brush waste should be stacked less than 5 feet high.
 - Tree limbs should be no longer than 6 feet, with the large end of the limbs placed toward the street.
 - Ensure cars or other vehicles are not obstructing brush.
 - Keep brush separate from bulk and never place over or near a gas or water meter.

Recyclable

These items can always be placed in your recycling cart:

Paper

Paper (staples okay)
Newspaper
Envelopes
Junk mail
Phone books
Brochures

Christmas lights	Syringes
Coat hangers	Razor blades
Electrical cords	Tires
Food waste	Wood/yard waste
Garden hoses	

City of Seagoville 2022 Recycling & Waste Collection Schedule

Easily Manage Your Household Recycling and Waste

When should I set out my recycling and waste carts?

Be sure your carts are at the curb by 7 a.m. on your collection day to ensure collection (you may set your carts out the night before if you wish.) Please pull your carts back to the house after they have been emptied.

What can I put in my waste cart?

The cart is designed to hold a maximum weight of 175 lbs. All of your household waste and yard waste can be disposed of in your cart. Please bag loose items to prevent littering.

Everything must fit inside the cart with the lid closed. This will avoid spillage. You should NOT put concrete, large amounts of dirt or heavy waste into your cart.

No hot ashes, please.
