CITY OF SEAGOVILLE FINANCE DEPARTMENT EMPLOYEE RECOGNIZED FOR ACCOMPLISHMENT

SEAGOVILLE, TX- The City would like to recognize and congratulate employee Gail Lawrence for her recent accomplishment of successfully completing the New and Emerging Finance Director's Program sponsored through the North Central Texas Council of Governments (NCTCOG) in Arlington. This, the fourth class of its kind, serves toward training and developing current and future leaders in the public finance industry.

Over the last eight months, Mrs. Lawrence attended these sessions to receive education and training in various aspects of the city finance industry and delved into the critical issues of her responsibility as a public finance official. Mrs. Lawrence received instruction and lecture from experienced professionals and experts in the field of city finance. Completion of this course required homework and her extensive participation. It was no easy task.

Mrs. Lawrence's acceptance into this course was through an application and referral process whereby NCTCOG selected a cohort of only 21 individuals to participate. As quoted by NCTCOG Executive Director Mike Eastland, "We believe it will be individuals like Gail that will help keep our region in the forefront of municipal leaders. It will also be progressive employers like the City of Seagoville who continue to support ongoing training and development in our industry".

Mrs. Lawrence is the Senior Accountant in the Finance Department. She has a bachelor's degree from DeVry University and an Associate Degree from Remington College. She has numerous years of experience in investment and accounting. Her accomplishment makes her an asset to the City and the citizens she serves.
