## **City of Seagoville Suspends Senior Services and Pre-School Story Time for 30 Days**

Seagoville, TX – The virus that cause Coronavirus Disease (COVID-19) is easily transmitted through person to person contact, especially in group settings and it is essential that the spread of the virus be slowed to protect the ability of public and private health care providers to handle the influx of new patients and safeguard public health and safety. Because of the risk of the rapid spread of the virus and the need to protect the most vulnerable members of our community, the City of Seagoville has suspended services and programs at the Seagoville Senior Center for 30 days. The City of Seagoville is working with Dallas County and the Visiting Nurses Association to determine a plan for continuance of our Senior meal program through deliveries and limited contact onsite pick up.

Story Time for pre-school age children is also suspended for 30 days and we are limiting the number of people allowed in the library to ten at a time.

In accordance with the Dallas County Health Authority we strongly urge high- risk individuals to cancel, re-schedule, or not attend events that will have or will likely have 10 or more people.
