GRANT PROGRAM DESCRIPTION

Under the Seagoville Economic Development Corporation Downtown Destination Matching Grant Program, the Seagoville Economic Development Corporation (“SEDC”) may provide grant incentives to new or existing business located within historic Downtown Seagoville in order to create, retain, or promote new or expanded business development for exterior improvements that benefit not only the applicant business, but the general business area and the City in general. The Downtown Destination Matching Grant Program provides reimbursement grant funding for new or existing business on a 50% matching fund scale, with a maximum grant amount of \$50,000.00 for any applicant. Eligible expenses include costs of building and storefront exteriors or facades or upgrades and/or repairs thereto, infrastructure/utility upgrades, ADA accessibility, roof installation/repair, fencing, exterior artworks, painting, reconstruction, renovation, signage, landscaping, and paving. An application must be received and approved by the SEDC and an incentive agreement must be executed by the applicant and the SEDC prior to any work commencing.

The grant is paid as a reimbursement for eligible expenses upon completion of the work for which the grant is approved and upon submission to SEDC of a request for payment accompanied by receipts or other evidence of payment deemed sufficient in the sole discretion of SEDC. SEDC reserves the right to award less than a 50% match.

For example, if a business owner applies for an SEDC Downtown Grant to install a \$7,000.00 parking lot improvement, if SEDC approves the maximum grant percentage of 50%, the maximum grant funding would be \$3,500.00. Similarly, if the business owner’s eligible project will cost \$100,000.00 and the SEDC approves the maximum grant percentage of 50%, the maximum grant allocation would be \$15,000.00.

Only fully completed applications will be accepted and reviewed by the SEDC.

The SEDC reserves the right, in its sole discretion, to determine approval or rejection of any and all Grant Program applications and further reserves the right to, on a case-by-case basis, vary the terms of the Program.

I have read this Grant Program Description and agree to all terms contained therein, including compliance with all applicable city, state, and Federal codes and the one (1) year maintenance requirement.
